

Safety Data Sheet

Section 1: Identification

Product Name: Adapt Skin Protective Wipes

Product Code: 7917

SDS Manufacturer Number: 7917

Manufacturer Name: Hollister Incorporated

Address: 2000 Hollister Drive
Libertyville, Illinois 60048
USA

General Phone Number: 847-680-1000

Emergency Phone Number: 847-680-1000

SDS Creation Date: December 31, 2014

SDS Revision Date: June 29, 2017

Section 2: Hazard(s) Identification

GHS Pictograms: None

Signal Word: Not applicable

GHS Class: Not classified

Hazard Statements: None

Precautionary Statements: None

Emergency Overview:

Route of Exposure: Eyes, Skin, Inhalation, Ingestion.

Potential Health Effects:

Eye: May cause irritation

Skin: May cause irritation

Inhalation: No adverse effects anticipated under normal conditions
Prolonged or excessive inhalation may cause respiratory tract irritation.

Ingestion: Ingestion can cause gastrointestinal irritation, nausea, vomiting, and diarrhea.

Safety Data Sheet

Target Organs: Eyes, skin, respiratory system, digestive system.

Section 3: Composition / Information on Ingredients

Chemical Name	CAS #	Ingredient Percent	EC Num.
Water	7732-18-5	58%	231-791-2
Copolymer	25035-69-2	42%	607-492-1

Section 4: First Aid Measures

Eye Contact: No effects anticipated. If symptoms develop, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists, get medical attention.

Skin Contact: No effects anticipated. If symptoms develop, wash with soap and water. If irritation occurs, seek medical attention.

Inhalation: No effects anticipated. If symptoms develop, remove exposed person to fresh air if adverse effects are observed. Get medical attention if necessary.

Ingestion: Do not induce vomiting. Get medical attention.

Additional Information: Note to Physician: Treat symptomatically.

Section 5: Fire Fighting Measures

Flammable Properties: Material will not burn until water has been evaporated

Flash Point: Not applicable

Flash Point Method: Not applicable

Auto Ignition Temperature: Not determined

Lower Flammable/Explosive Limit: Not determined

Upper Flammable/Explosive Limit: Not determined

Fire Fighting Instructions: Wear full protective fire-gear, including self-containing breathing apparatus operated in the positive pressure mode with full face piece and coat, pants, gloves, and boots. Water is not a preferable medium, but water spray should be used

Safety Data Sheet

to cool fire-exposed material.

Extinguishing Media: CO₂, dry chemical, or foam. Water can be used to cool and protect exposed material.

Protective Equipment: For large fires (involving a large number of sachets), wear full protective equipment and self contained breathing apparatus.

NFPA Ratings:

NFPA Health: 1

NFPA Flammability: 1

NFPA Reactivity: 0

Section 6: Accidental Release Measures

Personnel Precautions: Personal protective equipment must be worn.

Environmental Precautions: Take precautions to avoid related to the environment. Prevent from entering into soil, ditches, sewers and waterways and/or ground water.

Methods for containment: For large releases, absorb into dry earth and transfer into containers. Wash the spill with water.

Methods for cleanup: Wipe with damp paper towels and discard properly.

Section 7: Handling and Storage

Handling: Avoid eye contact. Avoid drinking, tasting, swallowing, or ingesting this product. Avoid breathing dust, fume, gas, mist vapors or spray.

Storage: Store in a cool dry place (15°C to 25°C recommended). Avoid direct sunlight.

Special Handling Procedures: Keep out of the reach of children and pets.

Hygiene Practices: Employ good industrial hygiene practice.

Safety Data Sheet

Section 8: Exposure Controls, Personal Protection – Exposure Guidelines

Engineering Controls:	Not applicable.
Eye/Face Protection:	Wear Safety goggles
Skin Protection Description:	Wear gloves.
Respiratory Protection:	None required under normal conditions. Use material in well-ventilated area.

EXPOSURE GUIDELINES

Guideline ACGIH:	Not established.
Guideline OSHA:	Not established.

Section 9: Physical and Chemical Properties

Physical State Appearance:	Solution – ‘Milky’, viscous, translucent solution, which dries on the skin on application. Application vehicle enclosed within the product sachet is a non-woven wipe.
Color:	Translucent solution
Odor:	No data available
Odor Threshold:	No data available
Boiling Point:	>89°C, >193°F
Melting Point:	No data available
Specific Gravity:	1.05g/mL
Solubility:	Water soluble.
Vapor Density:	No data available
Vapor Pressure:	No data available
Percent Volatile:	No data available
Evaporation Rate:	No data available
pH:	No data available

Safety Data Sheet

Viscosity: No data available

Coefficient of Water/Oil Distribution: No data available

Flash Point: Not applicable

Flash Point Method: No data available

Auto Ignition Temperature: No data available

Section 10: Stability and Reactivity

Chemical Stability: Normally stable at moderately elevated temperatures and pressures

Hazardous Polymerization: No dangerous polymerization known under conditions of normal use.

Conditions to Avoid: Avoid direct sunlight.

Incompatible Materials: Strong oxidizing agents

Special Decomposition Products: Thermal decomposition and combustion are not expected to occur except under extreme conditions. Irritating and toxic substances may be emitted upon combustion, burning, or decomposition of dry solids.

Section 11: Toxicological Information

This product has been evaluated in the following Biocompatibility studies:
Cytotoxicity

Sensitization
Irritation or Intracutaneous Reactivity

These studies demonstrate that the device is safe for the indications specified in the product labeling.

Eye: May cause eye irritation.

Skin: Health injuries are not known or expected under normal use.

Inhalation: Health injuries are not known or expected under normal use.

Safety Data Sheet

Ingestion: Health injuries are not known or expected under normal use.

Section 12: Ecological Information

Ecotoxicity: This product has no known ecotoxicological effects.

Biodegradation: No data available.

Effect on Material on Aquatic Life: No data available.

Section 13: Disposal Considerations

Waste Disposal: Dispose according to local, regional, national, and international regulations. Do not dispose in landfill. Dispose of packaging in accordance with local, regional, national, and international regulations.

Section 14: Transport Information

Product is not classified to be a dangerous good for any mode of transport. The date provided in this section is for information only. Please apply the appropriate regulations to properly classify your shipment.

DOT Shipping Name: Not applicable

DOT UN Number: Not applicable

DOT Hazard Class: Not applicable

DOT Packing Group: Not applicable

Section 15: Regulatory Information

All ingredients in this product are excluded from listing on the US Toxic Substances Act (TSCA) Chemical Substance Inventory. This product does not contain an amount of any chemical required to be reported under SARA 313.

TSCA Inventory Status: Not Listed.

Canada DSL: Not Listed.

WHMIS Pictograms: None.

Safety Data Sheet

Section 16: Additional Information

HMIS Health Hazard:	1
HMIS Fire Hazard:	1
HMIS Reactivity:	0
HMIS Personal Protection:	X
SDS Creation Date:	12/31/2014
SDS Revision Date:	06/29/2017

This product is exempt from Safety Data Sheet regulations as the product is for consumer use. The information contained in this Safety Data Sheet (SDS) is offered as a guide to the use and handling of this material. All safety aspects of all Hollister products are thoroughly evaluated prior to commercialization. This SDS has been prepared in good faith by technically knowledgeable personnel. Hollister Incorporated shall not be held liable for any damages, losses or injuries of any nature which may result from the use of or reliance upon any information contained in the SDS. Each individual should make a determination as to the suitability of the information for his or her particular purpose(s).
